

Buddy Reading Center

We can:

1. read our story from the reading book.
2. read one of the choices in the tub.
3. read the same chapter from our Book Club book.

We must:

- write the title, author, and page numbers in our Notebooks.
- sit close together, or knee to knee.
- read in a whisper voice.
- decide if we want to read together, take turns, or read silently.
- **roll the dice and answer the questions before (red), during (blue), and after (green) reading.**
- **answer the questions at the end of the story.**
