

Fact or Opinion Football

Place the fact or opinion cards face down in a stack. Each player needs a goal post.

Take turn drawing the top card from the stack. Read the sentence to your partner. Your partner decides if the sentence is a fact or opinion. Check the bottom of the card for the answer. If correct, give the card to your partner to put on his goal post. If incorrect, the card is placed at the bottom of the stack.

Continue until all cards are placed on the goal posts.

When you are finished, write at least 4 facts and 4 opinions in your Notebook.
