

Fluency Center

I must:

1. choose a card for my level.
2. listen to the CD and follow along on the card.
3. play the CD again. Read aloud quietly with the CD.

Repeat if I need more practice.

4. read the card aloud quietly several times without the CD.
5. answer the questions on the back of the card and have my partner check.
6. have my partner time my reading.
7. record my reading rate in my Notebook.
